NOTE: for excursions children must be on site and signed in 20 minutes prior to stated departure time. This enables us to go through safety rules, the day's event & procedures, ensure children have all that is required of them.

Food:

Please provide enough nutritious food for your child for the whole day (Morning tea, lunch and afternoon tea). Please read the timetable carefully to ensure that you are aware when lunch is provided by our centre on special days.

Lunch/Shop Order:

Please take special notice of the days when shop orders are available if you would like to order your child's lunch. **We order children's lunch by 10am**, orders are from the Café Bar on Fredrick. Order forms and menu are available in the front entrance. **Please note: online QKR is not available as the school canteen is not operating during the school holidays.**

Clothing:

Children are required to be dressed in appropriate seasonal clothing for the day's activities. Please note that centre often does messy activities so be prepared for dirty clothes at the end the day!! Extra clothing, if clothes worn become extremely soiled or wet. OSHC takes no responsibility for children soiling their clothing. Please provide toe enclosed shoes. No thongs!

Electronic Devices:

Specified times will be communicated with the children for playing electronic devices each day. This is to ensure children engage in other 'social' activities. Please leave all toys and precious items at home (including mobile phones) as they may be lost, broken or taken. No responsibility will be accepted for children's property brought to the centre.

Sun Protection:

Children must wear hats and sunscreen whilst playing outdoors.
Please apply sun screen each day to your children before they attend Vacation Care. During winter season hats & sunscreen is optional but please ensure your child/ren are dressed in appropriate seasonal clothing. Children will not be allowed to play outdoors without a hat.

Nuts and Foods:

We have several children who have severe allergies to nuts. If these children come into contact with nuts or nut products, they can have a severe reaction and go into ANAPHYLACTIC SHOCK. Anaphylactic shock is a life-threatening reaction. We are asking families to help keep our children safe at vacation care and make the choice not to send nut or nut products in their child's lunch e.g. Nutella sandwiches. Think about the actions you would expect us to take if it were your child.
